MÜHLVIERTLER MASSARBEIT

mit individueller Oberflächenveredelung

Nichts ist auch über Jahrzehnte so schön und zeitlos wie unser heimischer Naturstein. Wer die Wanderwege im Mühlviertel so liebt wie wir, weiß genau, wovon wir sprechen.

Wir fertigen seit über 60 Jahren Natursteinprodukte in allen erdenklichen Oberflächen- und Formatausführungen und stehen für hohe Qualität und Wertebewusstsein. Wir kaufen, verkaufen und verarbeiten alle gängigen Natursteine auch aus anderen Regionen dieser Erde. Unsere Kernkompetenz liegt aber in der Gewinnung, der Verarbeitung und dem Handel mit Naturstein aus Österreich.

Eigene Steinbrüche und Verarbeitungswerke im Mühl- und Waldviertel bedeuten für uns kurze Wege, flexible Lieferzeiten, regionale Arbeitsplätze und eine saubere Umwelt.
In Stein gemeißelte Regionalität.
